## Description

This training workshop on "3G-HSPA and LTE: Towards the Next Generation of Mobile Networks", held in Skopje, Former Yugoslav Republic of Macedonia from 3 to 5 February 2010, was organized by the Telecommunication Development Bureau of the ITU, the INA Academy, and the Hellenic Telecommunications & Post Commission (EETT). This training workshop is organized jointly by the Telecommunication Development Bureau of the ITU and the Faculty of Electrical Engineering and Information Technologies (FEEIT), Ss. Cyril and Methodius University in Skopje.

## Registration information

[registration information \(English\)](#)

Unless specified otherwise, all ITU Academy training courses are open to all interested professionals, irrespective of their race, ethnicity, age, gender, religion, economic status and other diverse backgrounds. We strongly encourage registrations from female participants, and participants from developing countries. This includes least developed countries, small island developing states and landlocked developing countries.
