

Registration information

ITU/ITSO training on Satellite Communications for English speaking countries of Africa

Organized by:

Training details

Modality: Face to Face

Location: Maputo, Mozambique

Dates: 24 Jun 2019 - 28 Jun 2019

Training fees: \$0.00

Language: English, English

Application deadline: 23 Jun 2019

Contact: cynthia.mapisire@itu.int

Training description

The training aims to provide an in-depth understanding of VSAT systems and protocols in satellite communications. In particular, it will introduce VSAT concepts, satellite communications systems, technologies and protocols. It will also allow participants to assess VSAT systems for deployments into cooperate wide area network solutions.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
