IoT Security Challenges and Solutions

Training details

Modality: Online instructor led
Dates: *26 Aug 2019 - 06 Sep 2019*
Training fees: $125.00
Language: English
Registration deadline: 26 Aug 2019
Training code: 19OI24393ASP-E
Contact: Edu@IoTAcademy.ir

Training description

The online training course on âIoT Security Challenges and Solutionsâ for the Asia-Pacific Region will be conducted from 26 August â 6 September 2019. This course is organized jointly by the International Telecommunication Union and the IoT Academy as ITU Centres of Excellence in priority area of Internet of Things for Asia-Pacific region. The training will be delivered in English through the ITU Academy Platform. This online training course aims to introduce participants to Internet of Things (IoT) Security topics as well as the fundamental building blocks of IoT. It will focus on topics that address security considerations for IoT embedded system design and development, IoT network engineering, IoT platform, IoT applications development and integrated IoT system. This online course also provides examples on IoT security challenges and solutions for some IoT Verticals such as Smart healthcare, Smart Agriculture and Smart City.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account here

2. Register for the course [here](#)

How to pay for the training

A training fee of USD 125.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at [course page](#).

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. **All bank transaction fees must be borne by the payer.**
Failure to submit the above documents may result in the applicant not being registered for the training.

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the "My account" button in the user menu and click on the "Apply to be an Institutional Contact" button
2. Fill in the required information and click "continue", a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab "Institutional Contact" appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.
