Human Exposure to Radio Frequency Electromagnetic Fields

Organized by:

Training details

Modality: Face to Face

Location: Johor Bahru, Malaysia

Dates: 03 Dec 2019 - 05 Dec 2019

Training fees: \$550.00

Language: English, English

Registration deadline: 26 Nov 2019

Contact: jamaliah_s@utm.my

Training description

The face-to-face training course on Human Exposure to Radio Frequency Electromagnetic Fields will be held in Johor Bahru, Malaysia from 3-5 December 2019. This training is organised jointly by the International Telecommunication Union and the Wireless Communication Centre, Universiti Teknologi Malaysia as part of the Wireless and Fixed Broadband programme under the auspices of the ITU Centres of Excellence for Asia-Pacific. The training will be delivered in English. The course aims to equip participants with an understanding of the effect of radio frequency electromagnetic field (EMF) exposure to human and its relation to body tissue dielectric parameters and frequency. The course will also discuss related recommendations and policies as well as recent studies on the effect of EMF exposure to human. In addition, case study of public education campaigns will also be covered in the course. Detailed information on this training course is described in the course outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/> and <http://www.itu.int/itu-d/asp>. This training is targeted at executives, managers, officials, engineers, employees from policy makers, regulators, government organisation, telecom operators, vertical industries, telecom investment companies, researchers, and academia. Registration should be made online at the aforementioned link no later than 15th November 2019. Payment details are specified in the course outline.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

How to pay for the training

A training fee of USD 550.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at [course page](#).

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. **All bank transaction fees must be borne by the payer.**

Failure to submit the above documents may result in the applicant not being registered for the training.

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.
