Training description

The online training course on âNext Generation Broadband Network: Design, Implementation & Applicationsâ for the Asia-Pacific Region to be conducted from 25 November â 20 December 2019. This course is organized jointly by the International Telecommunication Union and the Advanced Level Telecom Training Centre as ITU Centres of Excellence in priority area of Wireless and Fixed Broadband for Asia-Pacific region. This online training course aims to equip participants with an understanding of next generation broadband access network (copper based, fibre based, BBoPL etc.); strategic planning to capture and retain market; broadband core network elements, connectivity, integration to ISP MPLS core network, end to end data flow; fibre based broadband access network technologies (e.g. FTTH, GPON, GEPON); and wireless broadband technologies (e.g. HSDPA, HSUPA, HSPA+, LTE / LTE-A, 5G/IMT 2020 and IEEE technologies e.g. Wi-Fi & Wi-Max).

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account here
2. Register for the course here

How to pay for the training

A training fee of USD 100.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at course page.

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. **All bank transaction fees must be borne by the payer.**
Failure to submit the above documents may result in the applicant not being registered for the training.

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The ITU Academy is the International Telecommunication Union leading platform for capacity development initiatives.
