Digital Transformation: Enhancing IoT-Driven Accessibility for PWD

Organized by:

Training details

Modality: Online instructor led
Dates: *11 May 2020 - 17 May 2020*
Training fees: $0.00
Language: English
Registration deadline: 10 Apr 2020
Training code: 20OI24869ASP-E
Contact: Edu@IOTACI.com

Training description

This online training course is jointly organized by ITU, IoT Academy & ICT Research Institute and will focus on the role of digital transformation in realizing IoT-driven accessibilities for Persons with Disabilities (PWD). In this course, some case studies from enabling technologies and assistive tools will also be discussed.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account here
2. Register for the course here

The ITU Academy is the International Telecommunication Union leading platform for capacity development initiatives.

International Telecommunication Union
Place des Nations, 1211 Geneva 20
