

Registration and payment information

Developing Internet of Things Ecosystem

Training details

Modality: Online instructor led
Dates: 02 Nov 2020 - 13 Nov 2020
Training fees: \$100.00
Language: English
Registration deadline: 01 Nov 2020
Training code: 20OI24887ASP-E
Contact: Edu@IOTACI.com

Training description

Description: Internet of Things will form a key component that will enable the 4th industrial revolution. This online training course aims to introduce participants to Internet of Things ecosystem and its key components including acquisition (Sensors & Actuators, embedded Systems, Gateways), network (Device Connectivity), IoT platform (Analytics, Dashboards & Tools, Services), and business (IoT Applications and Services, IoT Verticals, Marketplaces). The training will take into account policies and regulations related to Internet of Things and their security aspects. It will specifically focus on some IoT verticals and cover all elements described above for them. Learning outcomes: Upon completion of this training course, participants will be able to: • understand the concept of IoT ecosystem; • familiarise with the key players of IoT ecosystem including acquisition, network, IoT platform and business and their components; • understand IoT policies and regulations and their considerations; • familiarise with security consideration of Internet of Things in IoT ecosystem; and • present IoT ecosystem for some IoT verticals as use case and describe all elements described above for them. Audience: Organizations, Industries, ICT Experts, Policy makers, Regulators, Service & Solution Providers and Academia involved in Internet of Things

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

How to pay for the training

A training fee of USD 100.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at [course page](#).

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. **All bank transaction fees must be borne by the payer.**

Failure to submit the above documents may result in the applicant not being registered for the training.

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
