

Registration and payment information

Cyber Security and Critical Infrastructure Protection

Training details

Modality: Online instructor led

Dates: 23 Nov 2020 - 05 Dec 2020

Training fees: \$100.00

Language: English

Registration deadline: 23 Nov 2020

Training code: 20OI24876ASP-E

Contact: subhash.iitr83@gmail.com

Training description

Description: Vulnerabilities that exists from connecting to the network increases as more people and devices become connected and smarter. This program aims to equip participants with the necessary knowledge and skills to counter the threats from cybersecurity and protect critical infrastructures.

Learning outcomes: Upon completion of this training course, participants will be able to:
• understand the impact of cybersecurity threats and the importance of critical infrastructure protection;
• apply national cybersecurity strategies frameworks;
• identify different critical infrastructures and its vulnerabilities as well as threat mitigation techniques; and
• apply these cybersecurity concepts in the context of various applications such as smart grid, smart city and for Industry 4.0. Audience: Executives, managers, engineers and technical staff from regulators, policymakers, telecom operators and academia and government organization

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

How to pay for the training

A training fee of USD 100.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at [course page](#).

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. **All bank transaction fees must be borne by the payer.**

Failure to submit the above documents may result in the applicant not being registered for the training.

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
