Training description

A two week online training course on "Preparing for International Conference" is being organized by the Asia-Pacific Telecommunity (APT) in partnership with the International Telecommunication Union (ITU) from 18 April to 3 May, 2020. The online training, which will be held at the ITU Academy, aims to equip participants with knowledge and skills on participating in international conferences. This year's training is being organized around preparing for WTSA-20.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account here
2. Apply for the course here
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The ITU Academy is the International Telecommunication Union leading platform for capacity development initiatives.
