Innovation Ecosystem 101:Fundamentals on building competitive and innovative ICT-centric ecosystems

Organized by:

Training details

Modality: Online instructor led
Dates: *22 Jun 2020 - 21 Sep 2020*
Training fees: $0.00
Language: English
Registration deadline: 07 Sep 2020
Training code: 20OI24974MUL-E
Contact: innovation@itu.int

Training description

The course is intended for policy-makers, decision-makers, innovators and ecosystem builders who wish to build thriving entrepreneurial communities that can navigate technological revolutions and create competitive ICT industries. The course introduces key terminologies, concepts, tools and steps to assess your country's innovation capacity through practical information. Upon completion of the course, you will understand: â¢ Innovation, digital ecosystems and digital transformation, and their relationship to national development priorities. â¢ How digital entrepreneurship can contribute to making your country an innovation-driven economy, who the key stakeholders in your ecosystem are and their roles in digital transformation. â¢ Your country's digital innovation gap and how to measure it. â¢ How to diagnose the specifics of the digital innovation gap. â¢ How to develop a high-level roadmap to close this gap.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to register

In order to register for the training, participants should:
