

# Registration and payment information **Domain Name System Security Extensions (DNSSEC)**

## **Training details**

**Modality:** Online instructor led **Dates:** 21 Sep 2020 - 27 Sep 2020

Training fees: \$150.00 Language: English

Registration deadline: 19 Sep 2020 Training code: 20OI24943ARB-E Contact: <a href="mailto:houda.jarraya@gmail.com">houda.jarraya@gmail.com</a>

## **Training description**

The Domain Name System (DNS) is a critical part of Internet infrastructure and the largest distributed Internet directory service. DNS translates names to IP addresses, a required process for web navigation, email delivery, and other Internet functions. However, the DNS infrastructure is not secure enough unless the security mechanisms such as Transaction Signatures (TSIG) and DNS Security Extensions (DNSSEC) are implemented. To guarantee the availability and the secure Internet services, it is important for networking professionals to understand DNS Security / DNSSEC concepts, configurations, and operations. The main objectives of this training is to understand the basic concepts of DNSSEC.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page <a href="here">here</a>.

## How to register

In order to register for the training, participants should:

- 1. Create an ITU Academy account here
- 2. Register for the course here

#### How to pay for the training

A training fee of USD 150.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at <u>course page</u>.

Failure to submit the above documents may result in the applicant not being registered for the training.

## **Group registration and payment**

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

- 1. Go to your profile page by clicking on the "My account" button in the user menu and click on the "Apply to be an Institutional Contact" button
- 2. Fill in the required information and click "continue", a request will be created.
- 3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
- 4. If accepted, you will find a new menu tab "Institutional Contact" appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The <u>ITU Academy</u> is the International Telecommunication Union leading platform for capacity development initiatives.
