Training fees: \$0.00

Language: English

Application deadline: 21 Oct 2020

Training code: 20OI26203ASP-E

Contact: sean.doral@itu.int

Training description

A two weeks online training course on Training of Trainers on Women ICT Frontier Initiative (WIFI) in Papua New Guinea is being co-organised by International Telecommunication Union (ITU) and APCICT/ESCAP through the Digital Transformation Centre- Papua New Guinea on 20 October 2020 to 3 November 2020. The online training, which will be held on the ITU Academy, aims to increase, understand and appreciate the enabling role of digital technologies, the gaps and barriers that constrain women from using ICTs in their businesses, and the need for gender-responsive policies and programmes to support ICT-empowered women entrepreneurs.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
