Training description

The training is planned to be face to face with the possibility of participating remotely but depending on the Coronavirus pandemic situation it could be run remotely only. The course dives deep into CSIRT/SOC establishment practice, where combination of theory, unique experience with lessons learned, and hands-on practice give attendees a clear and actionable picture on how to build an effective cybersecurity team. This training helps to successively prepare for cyber security team establishment. The objective of the training is to deliver fundamental theoretical and practical guidance on building an effective cybersecurity team and knowledge necessary to plan it, involve relevant actors, define duties and responsibilities, ensure the governance of a team and assess the efficiency of services delivered.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

How to pay for the training

A training fee of USD 800.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at [course page](#).

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. **All bank transaction fees must be borne by the payer.**

Failure to submit the above documents may result in the applicant not being registered for the training.

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.
