Latest Trends in Satellite Broadband Access

Training details

Modality: Online instructor led
Dates: *15 Nov 2021 - 26 Nov 2021*
Training fees: $100.00
Language: English
Registration deadline: 15 Nov 2021
Training code: 21OI026621ASP-E
Contact: bsnl.alttcakj@gmail.com

Training description

Satellite communication is an essential part of modern-day telecommunication for voice and data services. Participants will be introduced to satellite communication concepts, technologies and its applications, installation as well as operation <(>&<)> maintenance of Ku band VSAT system. This training will also discuss in detail broadband access methodology and different modes of access, VSAT Networks and its deployment and protocols. Other topics that will be covered in this course includes satellite link engineering, INSAT Satellite Systems and Launch Vehicles, INSAT Satellite Systems Tracking <(>&<)> Telemetry, Future Trends in satellite Communication, INMARSAT (Satellite based Mobile Communication using C <(>&<)> L Band) overview <(>&<)> applications, Role of different orbits in satellite broadband access as well as role of ITU-R in satellite communications.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account here
2. Register for the course here

How to pay for the training

A training fee of USD 100.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at course page.

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. **All bank transaction fees must be borne by the payer.**
Failure to submit the above documents may result in the applicant not being registered for the training.

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The ITU Academy is the International Telecommunication Union leading platform for capacity development initiatives.
