Trends In Cyber Security & Blockchain Technology

Training details

Modality: Online instructor led
Dates: *13 Dec 2021 - 24 Dec 2021*
Training fees: $100.00
Language: English
Registration deadline: 12 Dec 2021
Training code: 21OI026663ASP-E
Contact: bsnl.alttcakj@gmail.com

Training description

The course is design keep in view to cover the current trends in Cyber security and Blockchain technology. In this course, participants will be able to learn about the market and digital scenario in cyber world future projection in 2025. This course assist to understand the current trends in Cyber Security <(>&<)> Blockchain Technology. Blockchain technology is an emerging crypto platform for developing decentralized applications and data storage, over and beyond its role as the global trends underlying the crypto-currencies. The basic tenet of this platform is that it allows one to create a distributed and replicated ledger of events, transactions, and data generated through various IT processes with strong cryptographic guarantees of tamper resistance, immutability, and verifiability.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account here
2. Register for the course here

How to pay for the training

A training fee of USD 100.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at course page.

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. **All bank transaction fees must be borne by the payer.**
Failure to submit the above documents may result in the applicant not being registered for the training.

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The ITU Academy is the International Telecommunication Union leading platform for capacity development initiatives.
