Human Exposure to Fifth Generation (5G) Electromagnetic Fields: Guidelines, Measurements & Case Studies

Training details

Modality: Online instructor led
Dates: *04 Oct 2021 - 17 Oct 2021*
Training fees: $150.00
Language: English
Registration deadline: 04 Oct 2021
Training code: 21OI027704ASP-E
Contact: bruceleow@utm.my

Training description

5th Generation (5G) network is currently in the implementation phase. The implementation of key 5G radio technologies such as millimetre wave, beamforming and small cell requires specific guidelines, standards and measurement and methodology if compared to legacy technology. Meanwhile, misunderstanding of the public regarding human Exposure to 5G EMF results in public resistance to 5G roll-outs. The course aims to provide a systematic view of the 5G EMF covering guidelines, standards, measurement methodology and case studies in order to address the misunderstanding of the human Exposure to 5G EMF.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account here
2. Register for the course here

How to pay for the training

A training fee of USD 150.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at course page.

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. **All bank transaction fees must be borne by the payer.**
Failure to submit the above documents may result in the applicant not being registered for the training.

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The ITU Academy is the International Telecommunication Union leading platform for capacity development initiatives.
