

## Registration information

# Conformity and Interoperability relating to 5G

## Training details

**Modality:** Online instructor led

**Dates:** 11 Apr 2022 - 24 Apr 2022

**Training fees:** \$0.00

**Language:** English

**Registration deadline:** 20 Apr 2022

**Training code:** 22OI027820ASP-E

**Contact:** [hcbmail@itu.int](mailto:hcbmail@itu.int)

## Training description

This course will help the participants to know about the general development of 5G industry globally and in China, the key technologies and standards progress of 5G, testing technologies of 5G base station, massive MIMO and RF-OTA, testing of 5G network performance, etc. Let the participants build the knowledge of 5G basically in C<(>&<)>I area.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

## How to register

In order to register for the training, participants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.

Place des Nations, 1211 Geneva 20
