Price

\$180.00

**Description**

---

---

Este curso permitirá dominar conceptos y aplicaciones que resuelven y ayudan a las organizaciones a monitorear sus procesos en tiempo real y conocer alternativas de explotación de datos provenientes de tecnología IOT.

## Registration and payment information

[Documento de información sobre la inscripción y el pago \(Español\)](#)

Unless specified otherwise, all ITU Academy training courses are open to all interested professionals, irrespective of their race, ethnicity, age, gender, religion, economic status and other diverse backgrounds. We strongly encourage registrations from female participants, and participants from developing countries. This includes least developed countries, small island developing states and landlocked developing countries.
