in Russian-???-????????????? — ??? ? ?????????? ?????????? (????????????????? ??????-
?????????) <a href="https://academy.itu.int/training-courses/full-catalogue/web-
accessibility-cornerstone-digital-societyon-line-self-paced-training">Course in Spanish-Accesibilidad
web: la piedra angular de la sociedad digital(formación autodidacta en línea)
<p>*Arabic, English, French, Russian and Spanish course content is in the same course space.</p>
<p>The ITU-D Digital Inclusion has developed this on-line certificate based self-paced training
course, Web Accessibility: The cornerstone of an Inclusive Digital Society composed of 3 modules: -
Module 1: Executive tools for developing a web accessibility policy - Module 2: Essentials of
implementing a web accessibility evaluation - Module 3: Technical skills for designing and developing
accessible websites. The learner will develop an overall understanding of the main issues relating to
web accessibility, including: web accessibility policy development, the creation of accessible digital

content, the evaluation of level of accessibility of the websites, principles related to the design and development of accessible websites and maintenance of accessible websites, in line with the international standards related to web accessibility.</p>

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).
