Training description

This course is by invitation only. The course will equip women delegates with basic knowledge on ITU's structure, its Plenipotentiary Conference and its rules and procedures. It will also cover ITU's gender mainstreaming key documents, projects and initiatives and negotiation skills and techniques. The training will also generate a space for women networking which will enable peer-to-peer support and encourage women to chair meetings, take on leadership positions and negotiate resolutions with the goal to reduce the gender digital divide.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.
