Training description

Generation Connect is the overarching initiative of the ITU Youth Strategy. Generation Connect aims to engage global youth and encourage their participation as equal partners alongside the leaders of today's digital change, empowering young people with the skills and opportunities to advance their vision of a connected future. Join the Generation Connect Community on Instagram, LinkedIn and Facebook. Please note that the age limits for this course is 18-29 years old. The Generation Connect Digital Learning is comprised of 3 courses: ICT Accessibility - The key to inclusive communication This training course encompasses a holistic introduction to ICT accessibility from the perspective of digital inclusion. The course includes an overview of relevant ICT accessibility requirements, policies, regulations, standards, as well as the tools and resources such as practical advice on the public procurement of accessible ICTs. An Introduction to E-waste Policy This self-paced course aims to develop knowledge of Waste Electrical and Electronic Equipment (WEEE) policy and regulation. Innovation Ecosystem 101: Fundamentals on building competitive and innovative ICT-centric ecosystems This course explores innovation, digital ecosystems and transformation. It contains corresponding discussion forums, know
