Registration information

The Last Mile Internet Connectivity

Training details

Modality: Online self-paced
Dates: *05 Dec 2022 - 31 Dec 2022*
Training fees: $0.00
Language: English
Registration deadline: 24 Dec 2022
Training code: 22OS100085MUL-E
Contact: aminata.amadou-garba@itu.int

Training description

This course is based on two ITU products: The Last-Mile Connectivity Internet Solutions Guide and Broadband Connectivity Toolkit. The Last-Mile Connectivity Internet Solutions Guide was developed to support the design and development of programmes and interventions that address the lack of Internet infrastructure availability in certain areas and high Internet service prices that make Internet connectivity unaffordable for local populations. Broadband Connectivity Toolkit is a set of methodologies, software tools and parameters that allows decision makers, network designers or infrastructure owners to support their decisions about connecting of unconnected.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account here
2. Register for the course here

The ITU Academy is the International Telecommunication Union leading platform for capacity development initiatives.
