

## Registration information

### ITU-T Working Methods and other Mechanisms

**Organized by:**

#### Training details

**Modality:** Online self-paced  
**Dates:** 03 Feb 2023 - 22 Sep 2023  
**Training fees:** \$0.00  
**Language:** English, English  
**Registration deadline:** 22 Sep 2023  
**Contact:** [tsbbsg@itu.int](mailto:tsbbsg@itu.int)

#### Training description

This course will provide an insight into ITU's structure and will teach test-takers about the ITU-T's standardization process and provide guidance on the application of ITU-T working methods and procedures. The course through its 12 core Units will (1) underscore the structure and functions of ITU-T Study Groups and Focus Groups, documentation management, Bridging the Standardization Programme for developing countries and (2) help participants in applying the knowledge for drafting ITU-T contributions to Study Groups and Focus Groups, negotiating within ITU-T Study Groups and Focus Groups, engaging in coordination methods established in the ITU-T system, and identify role of non-statutory events in ITU-T's work along with other supporting features used in the understanding and employing the ITU-T standardization processes.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).
