#### Training description

The face-to-face training course on "Evolution and Emerging Trend of Broadband Access Technologies" to be held in Ghaziabad (near New Delhi), India from 20-24 May 2019. This training is organized jointly by the International Telecommunication Union and the Advanced Level Telecom Training Centre (ALTTC) as part of the Wireless and Fixed Broadband programme under the auspices of the ITU Centres of Excellence for Asia-Pacific. The training will be delivered in English. The training course is designed to understand technical trends and market status of broadband wireline and wireless access networks, Next Generation Access - High speed (Broadband) IP based connectivity (ADSL, VDSL, Wi-Max, FTTH, BoPL etc.). The training will enable the participants to understand and appreciate the mobile broadband networks, technologies and the related quality of service (QoS), optical fibre backhaul network issues and trends and next generation network architecture and services. Further, this training will also address the security challenges of broadband network access technologies. Detailed information on this training course is described in the course outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/> and <http://www.itu.int/itu-d/asp>.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

## How to register

In order to register for the training, participants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

## How to pay for the training

A training fee of USD 275.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at [course page](#).

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to [Hcbmail@itu.int](mailto:Hcbmail@itu.int) and copy the course coordinator. **All bank transaction fees must be borne by the payer.**

**Failure to submit the above documents may result in the applicant not being registered for the training.**

## Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.
