An introduction to the e-waste challenge

Organized by:

Training details

Modality: Online self-paced
Dates: 07 Nov 2023 - 31 Dec 2023
Training fees: \$0.00
Language: English, English
Registration deadline: 22 Dec 2023
Contact: ee@mail@itu.int

Training description

This course aims to provide an overview of the global e-waste challenge, including e-waste statistics and legislation based on the latest data from the Global E-waste Monitor and the Global E-waste Statistics Partnership. The course will take approximately 1 hour 30 minutes to complete, and participants will receive a badge certifying successful completion if the course was passed at 70% or higher.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
