Training description

This online self-paced course provides a comprehensive overview of the 5G technology and its potential to bring social and economic growth to developing countries. Through ten videos covering topics such as enabling technologies, 5G applications, network architecture, core network, and access network, learners will gain knowledge and insights into how 5G can bridge the digital divide, improve healthcare, education, and agriculture, and enhance overall economic growth. Designed as an introductory course, this online self-paced program is suitable for individuals with varying levels of technical expertise. Its online format allows learners to study at their own pace, providing flexibility and convenience. Upon completion of the course, learners will have a good understanding of the 5G technology and its potential to drive social and economic development.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected,

you will receive a notification by email.

How to pay for the training

This course is organized by , an ITU Academy Training Centre, which will collect the training fees directly.

You will find details about the payment process of this Centre at the following [link](#) or alternatively in your ITU Academy account under [My courses](#).

Kindly note that payment must be made by 22 Dec 2023

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
