Training description

This Cyber Security Awareness & Forensics training course aims to enhance the general participants' awareness of cyber security risks and forensics and data analysis gathering techniques. The training course will cover: ? Explain the core information assurance (IA) principles; ? Identify the key components of cyber security network architecture; ? Apply cyber security architecture principles; ? Describe risk management processes and practices; ? Identify security tools and hardening techniques; ? Distinguish system and application security threats and vulnerabilities; ? Describe different classes of attacks; ? Define types of incidents including categories, responses and timelines for response; ? Describe new and emerging IT and IS technologies; ? Analyze threats and risks within context of the cyber security architecture; ? Computer forensics fundamentals; ? Types of digital forensics technologies and systems.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

How to pay for the training

A training fee of USD 500.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at [course page](#).

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. **All bank transaction fees must be borne by the payer.**

Failure to submit the above documents may result in the applicant not being registered for the training.

Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
