Description

This course aims to improve skills in designing and developing online courses, consisting of 5 modules, including practical tasks and access to multimedia resources for converting face-to-face content into online courses.

Registration information

[Document on registration information \(English\)](#)

Unless specified otherwise, all ITU Academy training courses are open to all interested professionals, irrespective of their race, ethnicity, age, gender, religion, economic status and other diverse backgrounds. We strongly encourage registrations from female participants, and participants from developing countries. This includes least developed countries, small island developing states and landlocked developing countries.
