Registration deadline:

Contact: fanny.rotino@itu.int

Training description

Designed for policy-makers, this course focuses on child online behaviours, threats, and risks associated with cyberspace, aiming to develop national policies and strategies that are holistic, inclusive, and evidence-based.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
