International
Labour
Organization

Training details

Modality: Online self-paced

Dates: Open

Training fees: \$0.00

Language: English

Registration deadline:

Training code: 24OS100318MUL-E

Contact: jenny.arana@itu.int

Training description

One of the many barriers that persons with disabilities face in accessing employment opportunities is that many career sites and job portals do not contain accessible digital content and have not been designed and developed with ICT accessibility requirements in mind. Employers committed to inclusive employment need to be aware of this. Guaranteeing that job portals meet the necessary accessibility requirements is critical for persons with disabilities to enter and thrive in the labour market.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).
