Training details

Modality: Online self-paced

Dates: 10 Jan 2024

Training fees: \$0.00

Language: English, English

Registration deadline:

Contact: eetmail@itu.int

Training description

The course is aimed at providing information on how to develop National Emergency Telecommunications Plans through a multi-stakeholder approach including all phases of disaster management.

This course is based on the [ITU Guidelines for National Emergency Telecommunication Plans](https://www.itu.int/en/ITU-D/Emergency-Telecommunications/Documents/2020/NETP-guidelines.pdf) available on the International Telecommunication Union website and referenced throughout the course.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
