Dates: Open

Training fees: \$0.00

Language: English

Registration deadline:

Training code: 24OS100327MUL-E

Contact: eetmail@itu.int

Training description

In this comprehensive course, we will delve into the critical issue of electronic waste (e-waste) on a global scale. E-waste, comprising discarded electronic devices and equipment, presents a growing environmental and societal challenge. This course aims to provide you with a comprehensive overview of this issue, incorporating the latest statistics and legislative developments sourced in the [Global E-waste Monitor](#) and the [Global E-waste Statistics Partnership](#).

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
