

## Registration information

### An introduction to the e-waste challenge

Organized by:

#### Training details

**Modality:** Online self-paced

**Dates:** 10 Jan 2024

**Training fees:** \$0.00

**Language:** English, English

**Registration deadline:**

**Contact:** [eetmail@itu.int](mailto:eetmail@itu.int)

#### Training description

In this comprehensive course, we will delve into the critical issue of electronic waste (e-waste) on a global scale. E-waste, comprising discarded electronic devices and equipment, presents a growing environmental and societal challenge. This course aims to provide you with a comprehensive overview of this issue, incorporating the latest statistics and legislative developments sourced in the [Global E-waste Monitor](https://ewastemonitor.info/wp-content/uploads/2020/11/GEM_2020_def_july1_low.pdf) and the [Global E-waste Statistics Partnership](https://globalewaste.org/about-us/).

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

## How to register

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.

International Telecommunication Union  
Place des Nations, 1211 Geneva 20
