Training details

Modality: Online self-paced
Dates: *10 Jan 2024*
Training fees: $0.00
Language: English, English
Registration deadline:
Contact: eetmail@itu.int

Training description

<p>In this comprehensive course, we will delve into the critical issue of electronic waste (e-waste) on a global scale. E-waste, comprising discarded electronic devices and equipment, presents a growing environmental and societal challenge. This course aims to provide you with a comprehensive overview of this issue, incorporating the latest statistics and legislative developments sourced in the Global E-waste Monitor and the Global E-waste Statistics Partnership.</p>
