Dates: Open
Training fees: $0.00
Language: English
Registration deadline:
Training code: 24OS100329MUL-E
Contact: eetmail@itu.int

Training description

A follow-up to the introduction to e-waste policy, this course is a key resource for understanding EPR's foundation and requirements, aimed at assisting in the production of e-waste policy and regulation.

Across the 6 modules, you will review the fundamentals of e-waste management, learn about the elements and instruments in an EPR based e-waste management system, and additional considerations/best practices in developing an effective and equitable legislative framework.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account here
2. Register for the course here

The ITU Academy is the International Telecommunication Union leading platform for capacity development initiatives.
