# Deep dive into the Extended Producer Responsibility (EPR) principle for e-waste management

Organized by:

Supported by

Funded by  
the European Union

## Training details

**Modality:** Online self-paced  
**Dates:** Open  
**Training fees:** \$0.00  
**Language:** English  
**Registration deadline:**  
**Training code:** 24OS100329MUL-E  
**Contact:** [eetmail@itu.int](mailto:eetmail@itu.int)

## Training description

A follow-up to the introduction to e-waste policy, this course is a key resource for understanding EPR's foundation and requirements, aimed at assisting in the production of e-waste policy and regulation.

Across the 6 modules, you will review the fundamentals of e-waste management, learn about the elements and instruments in an EPR based e-waste management system, and additional considerations/best practices in developing an effective and equitable legislative framework.

With generous support from the Global Gateway initiative of the European Union, participation in this training programme is free of charge.

For more information about the training objectives, target population, entry requirements,

methodology, evaluation and content, consult the page [here](#).

## How to register

In order to register for the training, participants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
