**Training description**

This training course empowers start-up and scale-up women entrepreneurs by developing green digital entrepreneurship knowledge and skills in order to increase their economic empowerment. The course is designed to guide participants through the concepts and benefits of green business, green and circular economy and sustainability concepts. It also explores digital green concepts, how to green supply chains and green finance. This course has been made possible with the support of the Women's Entrepreneurship Accelerator (WEA).

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

**How to register**

In order to register for the training, participants should:
