The role of mobile in humanitarian action

Training details

Modality: Online instructor led

Dates: 14 Mar 2024 - 15 Mar 2024

Training fees: \$0.00

Language: English

Application deadline: 08 Mar 2024

Training code: 24OI100359MUL-E

Contact: dgutierrez-torres@gsma.com

Training description

This course looks at the role of policymakers, regulators and mobile network operators throughout the disaster management cycle and the positive effect preparedness these stakeholders can have on the acceleration of aid delivery during and after a disaster and/or humanitarian crisis. The aim is to support the relevant ecosystem stakeholders in keeping pace with the latest industry developments through training courses that highlight examples of regulatory best practice from around the world.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
