Description

Her CyberTracks offers a five-months training, blending online live with self-paced courses, personalized mentorship, and inspirational webinars showcasing successful women in the cybersecurity field. This training includes in the Her CyberTracks Regional Forum, an on-site event featuring soft skills masterclasses, simulations and hands-on exercises, mentorship circles, study visits to cybersecurity organisations, and engaging networking events. Her CyberTracks currently offers the following CyberTracks: Policy and Diplomacy CyberTrack Incident Response CyberTrack Criminal Justice CyberTrack.

Registration information

[Note d'information pour inscription \(Français\)](#)

[Document on registration information \(English\)](#)

Unless specified otherwise, all ITU Academy training courses are open to all interested professionals, irrespective of their race, ethnicity, age, gender, religion, economic status and other diverse backgrounds. We strongly encourage registrations from female participants, and participants from developing countries. This includes least developed countries, small island developing states and landlocked developing countries.
