

## Registration information

### Climate change and the mobile industry

#### Training details

**Modality:** Online instructor led

**Dates:** 18 Jun 2024 - 19 Jun 2024

**Training fees:** \$0.00

**Language:** English

**Application deadline:** 11 Jun 2024

**Training code:** 24OI100402MUL-E

**Contact:** [ituacademy@itu.int](mailto:ituacademy@itu.int)

#### Training description

This course aims to inform telecommunications policymakers and regulators, particularly those in emerging and developing markets, about the multifaceted relationship between mobile technologies and climate change. It also discusses how the mobile industry is reducing its own impacts on climate change while also enabling climate action in other sectors. Furthermore, it details how policymakers can facilitate climate action across the mobile ecosystem and beyond.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

#### How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.
