**Contact:** [ghazi.mabrouk@itu.int](mailto:ghazi.mabrouk@itu.int)

#### Training description

The digital transformation in the public sector course is designed to provide a comprehensive understanding of how digital technologies can revolutionize public service and governance. Through a mix of theoretical insights, practical examples from global initiatives and hands-on exercises, learners will explore strategies for implementing digital changes within their organization. This course aims to equip learners with the skills and knowledge to lead and participate in digital transformation effectively. With the generous support of Global Gateway, participation is provided free of charge for selected applicants, including accommodation, meals, and other organized activities for a comfortable and immersive learning experience. Participants or their organizations will be responsible for covering their travel expenses to Nairobi, Kenya.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

#### How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
