Fundamentals on e-waste policy and the role of producers

Organized by:

Training details

Modality: Face to Face

Location: , Thailand

Dates: 05 Nov 2024 - 08 Nov 2024

Training fees: \$0.00

Language: English, English

Application deadline: 29 Sep 2024

Contact: ituacademy@itu.int

Training description

This course will provide participants with an introductory exposure to the world of policymaking and electronics producer responsibility in the area of e-waste management, bringing together key learning materials based around the underpinning legal, financial and administrative components of well-functioning e-waste management systems. With the generous support of the Global Gateway initiative of the European Union, participation in this training is provided free of charge for selected applicants, including accommodation, meals (3 lunches and 1 dinner), and other organized activities, including a field trip to an e-waste recycling facility. Participants or their organizations will be responsible for covering their travel expenses to and from Bangkok, Thailand.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.
