Training description

This face-to-face training course is designed to provide a comprehensive understanding of how digital technologies can revolutionize public service and governance. Through theoretical insights, practical examples from global initiatives and hands-on exercises, learners will explore strategies for implementing digital changes within their organization. This course aims to equip learners with the skills and knowledge to lead and participate in digital transformation effectively.

With the generous support of the Global Gateway initiative of the European Union, participation in this training is provided free of charge for selected applicants. This includes accommodation, meals, training and extracurricular activities. Participants or their organizations are responsible for covering their travel expenses to Nairobi, Kenya and if necessary, visa application costs.
