Training fees: $0.00
Language: English

Application deadline: 12 Mar 2025
Training code: 25WS500238MUL-E-D
Contact: cdo@merit.unu.edu

Training description

Due to high demand, applications for this training are now closed.

This summer school is designed to introduce participants to the concept of sustainable digital transformation through various subtopics, including emerging digital technologies, digital farming, and e-waste management.

Participants will become proficient in the use of the terminology related to digital transformation and sustainability through lectures and interactive sessions. Additionally, they will explore academic literature covering topics such as emerging digital technologies, sustainable agriculture, digital farming, e-waste management, and the intersection of Artificial Intelligence and sustainability.

With the generous support of the Global Gateway initiative of the European Union, participation in this training is provided free of charge for selected applicants. This includes accommodation, meals, and extracurricular activities. Participants or their organizations will be responsible for covering their travel expenses to Maastricht, Netherland and if necessary visa application costs. Participants or their organizations are responsible for covering the costs of travel expenses to and from their home country to city, country as well as visa expenses and insurance.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account here
2. Apply for the course here
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The ITU Academy is the International Telecommunication Union leading platform for capacity development initiatives.
