Training details

Modality: Face to Face

Location: , Thailand

Dates: 04 Aug 2025 - 08 Aug 2025

Training fees: \$0.00

Language: English

Application deadline: 30 Jun 2025

Training code: 25WS500250MUL-E-D

Contact: ituacademy@itu.int

Training description

This training course provides participants with an intermediary exposure to the world of policymaking and electronics producer responsibility in the area of e-waste management. It brings together key learning materials and resources based on the underpinning circular economy principles and the legal, financial and administrative components of well-functioning e-waste management systems.

With the generous support of the Global Gateway initiative of the European Union, participation in this training is provided free of charge for selected applicants. This also includes accommodation, meals and other organized activities, including a site visit to an e-waste recycling facility a morning's drive away from Bangkok. Participants or their organizations are responsible for covering the costs of travel expenses to and from their home country to Bangkok, Thailand.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.
