Dates: 16 Dec 2024 - 18 Dec 2024

Training fees: \$0.00

Language: English, English

Application deadline: 10 Jun 2024

Contact: jose.cervera@itu.int

Training description

The Subregional workshop for Asia was held from 16 to 18 December 2024 in Bangkok, Thailand and aimed to examine and promote the concept of universal and meaningful connectivity (UMC) and how to streamline it in national digital policies, how to improve the statistical capacity of countries in the region to produce and disseminate relevant statistical data, and how to use the data to identify good practices and policy recommendations.

It was organized in collaboration with the [National Broadcasting and Telecommunications Commission \(NBTC\)](https://www.nbtc.go.th/Home.aspx?lang=en-us) of Thailand and with the financial support of the European Commission.

For more information about the training objectives, target population, entry requirements,

methodology, evaluation and content, consult the page [here](#).

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
