Description

In today's digital world, effective communication is essential for driving innovation and development. Strategic communication for digital development 101 is a beginner-level course designed to equip professionals with foundational skills in strategic communication. Participants will learn how to craft impactful messages, engage key audiences, and apply communication strategies to support digital initiatives.

Registration information

[Document on registration information \(English\)](#)

Unless specified otherwise, all ITU Academy training courses are open to all interested professionals, irrespective of their race, ethnicity, age, gender, religion, economic status and other diverse backgrounds. We strongly encourage registrations from female participants, and participants from developing countries. This includes least developed countries, small island developing states and landlocked developing countries.
