# Strategic Fiber Optic Infrastructure Deployment and Regulatory Management

Organized by:

Supported by:

## Training details

**Modality:** Face to Face

**Location:** Abuja, Nigeria

**Dates:** 13 Apr 2026 - 17 Apr 2026

**Training fees:** \$0.00

**Language:** English

**Application deadline:** 30 Nov 2025

**Training code:** 26WS500303MUL-E-D

**Contact:** [pougwoke@dbi.edu.ng](mailto:pougwoke@dbi.edu.ng)

## Training description

This intermediate course is tailored to equip national regulators, policymakers, and professionals with strategic insights into fiber optic infrastructure deployment. Emphasis is placed on regulatory frameworks, national broadband strategy alignment, infrastructure sharing, and stakeholder engagement critical for fostering public-private partnerships. Participants will also explore advanced compliance monitoring and policy development techniques to support sustainable broadband expansion.

With the generous support of the Global Gateway initiative of the European Union, participation in this training is provided free of charge for selected applicants. This includes accommodation, meals, training and extracurricular activities. Participants or their organizations are responsible for covering

their travel expenses to Abuja, Nigeria, and if necessary, visa application costs.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

## How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
