Training description

This training course provides participants with an intermediary exposure to the world of policymaking and electronics producer responsibility in the area of e-waste management. It brings together key learning materials and resources based on the underpinning circular economy principles and the legal, financial and administrative components of well-functioning e-waste management systems.

With the generous support of the Global Gateway initiative of the European Union, participation in this training is provided free of charge for selected applicants. This also includes accommodation, meals and other organized activities, including a site visit that will take place in or nearby Addis Ababa. Participants or their organizations are responsible for covering the costs of travel expenses to and from their home country to Addis Ababa, Ethiopia.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).
