

## Registration information

# AI standards for increasing the efficiency of telecommunications/ICTs: shaping the future responsibly

Organized by:

འབྲུག་གཞུང་འབྲུག་རིག་ལམ་རྒྱུ་  
**GovTech**  
Bhutan

## Training details

**Modality:** Blended

**Dates:** 01 Sep 2025 - 05 Sep 2025

**Training fees:** \$0.00

**Language:** English, English

**Application deadline:** 31 Aug 2025

**Contact:** [akanksha.sharma@itu.int](mailto:akanksha.sharma@itu.int)

## Training description

This course draws upon expertise from both the International Telecommunication Union (ITU) Telecommunication Development Bureau (BDT) and Telecommunication Standardization Bureau (TSB). The participants will be provided a hands-on training on ITU's ICT standardization activities focusing on AI, as part of the Bridging the Standardization Gap (BSG) and they will also be guided on ethical, legal, governance and privacy aspects of AI for telecommunications and ICT.

**More details coming soon.**

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

## How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
